Hi everyone,
There is still an encampment at Clybourne and Foothill underneath the overpass. The trash is still everywhere. I know we all want our community to be a good representation of us so cleaning this would make all the difference in the world from people thinking Lake View Terrace is a dump heap to "what a beautiful community."
Please help us and thank you for being there. I attached pictures taken today.

Hello,
I am attaching pictures of trash thrown everywhere underneath the overpass at Foothill and Clybourne.

The street people have taken over the area.
They are living there, starting fires and dumping.
Since taking pictures on 6-5&6-19 the trash has gotten worse.

I will continue taking pictures and sending in hopes that you will help to remove these people and return this wash area to the people who live here.

Thank you for your time,
